Be Cybersafe

What is Online Sexual Abuse and Exploitation of Children?

Online Sexual Abuse and Exploitation of Children (OSAEC) is when children are taken advantage online. It is also considered OSAEC when Digital devices are used in making crimes like cellphone cameras, digital cameras, and even computer cameras.

It often starts as friendly interaction, a harmless message but without proper supervision, these messages can turn into dangerous connection..

What are the Types of OSAEC

Cyberspace connects the world. Its advantages benefit most of the population but the internet also comes with a dark side, especially if abused. Here are some examples of OSAEC to look out for.

- ♦ Taking nude photos of children
- ♦ Requesting and forcing children to remove clothes or perform sexual acts through chat or video call
- ♦ Forcing children to view or consume sexual content
- ♦ Stalking children online
- ♦ Persistent calling or messaging
- ♦ Selling private photos or videos of children
- ♦ Viewing private photos or videos of children

What can you do in case of OSAEC

If you ever find yourself in these situations, the best thing to do is turn off your devices. However, these are the next steps to ensure your safety:

1. Cut communication with the abuser.
2. Take some time off the internet.
3. Change your passwords.

How to stay safe from OSAEC?

Barkada Kontra Droga

WHAT IS BKD?

Barkada Kontra Droga BKD is the flagship program of the Dangerous Drugs Board designed to empower young people to be catalyst within their peer group in advocating healthy and drug - free lifestyles. In collaboration with the Department of Education, the nationwide "barkadahan" promotes camaraderie in school settings.

* BKD is peer group organized to provide and support school activities that promote awareness and intervention to drug abuse and its related issues.

* This group also supports the projects of the community and its local government with the same objective. The organization is supported by the students, teachers, school administrators, barangay council, local government unit, private institutions and other identified stakeholders. BKD Objectives:

* Create drug - free environment in the home, school, workplace and community.

* Encourage productive use of time and alternative activities.

WHAT IS ILLEGAL DRUGS?

A drug is any substance (with the exception of food and water) which, when taken into the body, alters the body's function either physically, Drugs may be legal (e.g. alcohol, caffeine and tobacco) or illegal (e.g. cannabis, ecstasy, cocaine and heroin).

TYPES OF DRUGS

- ◇ Depressants - Drugs that decrease alertness by slowing down the activity of the central nervous system (e.g. heroin, alcohol and analgesics).
- ◇ Stimulants - Drugs that increase the body's state of arousal by increasing the activity of the brain (e.g. caffeine, nicotine and amphetamines).
- ◇ Hallucinogens - Drugs that alter perception and can cause hallucinations, such as seeing or hearing something that is not there (e.g. LSD and magic mushrooms).
- ◇ Other: Some drugs fall into the other category as they may have properties of more than one of the above categories (e.g. cannabis has depressive hallucinogenic and some stimulant properties.)

Be A Buddy, Not a Bully!

How to be a friend to all?

What is Bullying?

Bullying is an aggressive act meant to hurt another person. Typically, bullying manifests in physical actions. If you are targeted by a bully, one important thing to remember is it is not your fault. You do not have a quality or a situation that gives them permission to bully you.

WHAT ARE THE TYPES OF BULLIES?

There are different types of bullies and how they harm others. Though they can be categorized, bullies always have one main goal: to hurt others and gain personal satisfaction from seeing their impact on the other people.

- ☐ Bullied bullies: like to overpower others to feel relief.
- ☐ Social bullies: Often have poor self-esteem, manipulate and bully others through gossip.
- ☐ Detached bullies: Often play likable and play the victims.
- ☐ Hyperactive bullies: Often misbe-

How to be Safe?

Bullies often fixate on one person to target. They prey on children who seem easy to control and manipulate. They also tend to target high-performing children because of jealousy. Here are some tips in order to avoid being targeted.

- ☐ Build your self-esteem
- ☐ Surround yourself with friends
- ☐ Be assertive
- ☐ Ignore or do not engage when taunted by bullies
- ☐ When approached, look at them in the eye

Are you a Bully?

You also need to be self-aware. Are you unconsciously teasing your friends about their physical appearance? Are you making fun of their conditions?

Are you sometimes feeling jealous of their achievements? Do you feel happy whenever you make them cry? If yes, you might have been bullying them unconsciously. Always be mindful of the things you do to your friends. A harmless joke can mean so much to others.

TAKE UP SPACE IN YOUR SAFE SPACE

What is Safe Space?

Safe space is formal or informal where a person feels comfortable, physically and emotionally safe, and enjoy the freedom of self-expression without the fear of judgement or harm.

WHAT ARE THE FORMS OF HARRASHMENT?

Harassment can come in many forms. According to the Safe Spaces Act of 2019, here are some examples:

- ☐ stalking
- ☐ catcalling/wolf-whistling
- ☐ Sexual comments
- ☐ Unwanted invites
- ☐ Assault/ coercing sexual inter course
- ☐ Joke on gender-specific traits
- ☐ Misogynistic, transphobic, homophobic and sexists slurs
- ☐ Unwanted staring
- ☐ Public masturbation

What Is the Anti-Bastos Law?

Safe Spaces Act or Republic Act No.11313 is An Act Defining Gender-Based Sexual Harassment in Streets, Public Spaces, Online, Workplaces, and Educational or Training Institutions, Providing Protective Measures and Prescribing Penalties Therefore.

The Act serves as the protection of people against harassment in both private and public spaces regardless of their age and gender. The Safe Spaces Act aims to value the dignity of every human person guarantee full respect for human rights.

What to Do to Stay Safe?

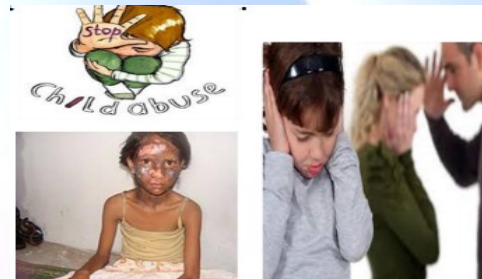

Understanding Safe Spaces is the first thing to learn. All spaces must be safe for you to grow, learn, and express yourself. Learning what are your rights should be your first priority to be able to defend yourself against harassers.

Sa Kalamidad, May Alam Ako!

Ano ang Kalamidad?

Ang kalamidad ay isang pangyayaring nagdudulot ng malawakang pinsala sa mga ari-arian at kabuhatan.

Mga Kalamidad at Sakuna

1. Bagyo

- Ito ay isang uri ng sama ng panahon na may dalang malakas na hanging kumikilos nang paikot.
- Ito ay kadalasang may kasamang malakas at matagal na pag-ulan.

* Philippine Atmospheric, Geographysical, and Astronomical Services Administration (PAGASA)

- Ahensiya ng pamahalaan na nagbibigay ng mga pangalan sa mga bagyong pumapasok sa Pilipinas.
- Nagbibigay ng babala kung may paparating na bagyo.

Narito ang binagong babala ng bagyo o Modified Public Storm Warning System (MPWS).

Babala Bilang 1	- Ang hangin ay may lakas na 30 – 60 kilometro bawat oras. - Inaasahan ang bagyon sa loob ng 36 oras.
Babala Bilang 2	- Ang hangin ay may lakas na 61 - 120 kilometro bawat oras. - Inaasahan ang bagyon sa loob ng 24 oras.

Babala Bilang 5	- Ang hangin ay may lakas na 220 kilometro bawat oras. - Inaasahan ang bagyon sa loob ng 12 oras.

MGA PAGHAHANDA BAGO ANG BAGYO

- 1 Subaybayan ang balita tungkol sa ulat-panahon, mga babala at paalala.
- 2 Alamin ang mga senyales ng matinding pagbaha at ang evacuation plan na kaakibat nito.
- 3 Siguraduhin na maayos ang kalagayan ng bahay, lalo na ang bubong, mga bintana, at pinto.
- 4 Maghanda ng first aid/survival kit.
- 5 I-charge ang mga mahalagang gamit, tulad ng cellphone, radio, at flashlight sakaling mawalan ng kuryente.
- 6 Alamin ang mga emergency hotlines ng Makati na maaaring tawagan sa panahon ng sakuna.
- 7 Magtabi ng pera at ilagay ang mga importanteng dokumento sa waterproof na lalagyan.

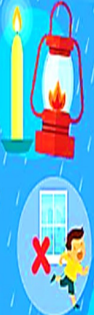

Mga DAPAT GAWIN pagkatapos ng BAGYO

- 1 Hintayin ang anunsyo ng awtoridad na ligtas na ang paligid bago bumalik ng bahay.
- 2 Iwasan ang mga nasirang struktura, gusali, poste ng kuryente, at mga naputol na puno.
- 3 Huwag nang magmasid-masid o maki-usyoso sa labas dahil nakaabala ito sa mga rescue operations at emergency services.
- 4 Maging maingat sa pagkukumpuni ng mga napinsalang bahagi ng bahay.
- 5 Siguraduhing hindi nabasa ang mga electrical outlets at appliances bago buksan ang kuryente.
- 6 Tiyaking walang buhay na kable o outlet ang nakababad sa tubig.
- 7 Linis ng mabuti ang mga alulod, gulong, plorera at kahit anong maaaring pamahayan ng lamok.

Mga DAPAT GAWIN habang may BAGYO

- 1 Manatiling kalmado sa loob ng bahay at mag-abang ng mga balita.
- 2 Huwag lumusong sa baha upang malwasan ang mga sakit na dala nito.
- 3 Mag-ingat sa paggamit ng kandila at gasera.
- 4 Hangga't maaari, lumayo sa mga babasaging bintana.
- 5 Kung kinakailangan lumikas, maging mahinahon at kumalma. Patayin ang electrical switch at water valve, iwasan ang daan malapit sa ilog.

Lindol

- Ito ay ang bigla at mabilis na pagyanig ng lupa dahil sa paghihiwalay at paggalaw ng bato sa ilalim ng lupa.
- Ito ay likas na kalamidad kung kaya't hindi masasabi kung kailan ito magaganap.

BAGO ang Lindol

- **ALAMIN ANG MGA PINAKAMALAPIT NA LABASAN** sa inyong opisina.
- **ALAMIN KUNG SAAN ANG MGA EVACUATION AREA.** Alamin ang pinakamabilis at pinakamalapit na ruta papunta sa itinalagang evacuation area.
- **MAGHANDA NG EMERGENCY SUPPLY KIT.** Siguraduhing mabilis at madali itong makuha sa lahat ng panahon.
- **ALAMIN ANG TAMANG PAGGAMIT** ng first aid kit, fire extinguishers, at alarm. Alamin rin kung paano patayin ang linya ng tubig, tangke ng gas, at circuit breaker.
- **MAKIISA SA MGA DRILL.** Regular na magsanay kung paano lumikas.

HABANG Lumilindol

- **HABANG YUMAYANIG,** manatiling kalmado at alerto. Sundin ang duck, cover and hold. Maging alisto sa mga nahuhulog na bagay na maaaring maging sanhi ng pinsala o manatili sa mas ligtas na parteng kwarto.
- **KUNG NASA LABAS,** pumunta sa open area.
 - Lumayo sa mga matatarik na lugar
 - Kung nasa umaandar na sasakyan, huminto muna at huwag tumawid sa mga tulay, overpass o flyover.
- **Kung malapit sa baybayin,** mabilis na magtungo sa mataas na lugar.

PAGKATAPOS ng Lindol

- **LUMIKAS.** Kapag tapos na ang pagyanig, agad na magtungo sa pinakamabilis at pinakaligtas na labasan.
- **Asahan na may mga aftershock**
- **Maging updated.** i-monitor ang mga pangyayari sa radyo o TV.

10 RIGHTS OF A CHILD

RIGHTS OF A CHILD

* being in accordance with what is just, good, or proper to be given in a child.

1.To be born, have a name and nationality

Every human being shall have the right to life and human dignity. The life to see the outside world and be protected from the moment of conception.

From birth, each child has the right to have a name and a surname. Parents should declare the name, the surname and date of birth of a new born to authorities in charge like from local to national.

Article 15 of the 1948 Universal Declaration of Human Rights, "Everyone has the right to a nationality. No one shall be deprived of his nationality nor denied the right to change his nationality."

WHAT'S THE FUSS?

In a heavily **prejudiced society**, these conditions result in **negative judgement** and **biases** against those that are perceived to be different by the mainstream, like:

- stereotyping
- invisibility
- marginalization
- stigma
- inequality
- persecution

What is Gender-based Violence?

Violence directed against a person because of their gender. Both women and men experience this, but the majority of victims are women and girls.

GBV and Violence Against Women (VAW) are often used interchangeably as it has been widely acknowledged that most GBV is inflicted on women and girls by men.

Types of Gender-based Violence

1. Overt physical abuse
2. Psychological abuse
3. Deprivation of resources needed for physical and psychological well-being
4. Treatment of women as commodities

Sexual Orientation, Gender Identity and Expression

Sexual Orientation refers to each person's capacity for profound **emotional, affectional and sexual attraction** to, and **intimate and sexual relations** with, individuals of a different gender or the same gender or more than one gender.

Sexual Orientation is the **expression** of desire/attraction of a person. It could be:

- Heterosexual - attraction towards members of the opposite sex;
- Homosexual - attraction towards members of the same sex; and,
- Bisexual - attraction towards members of both sex

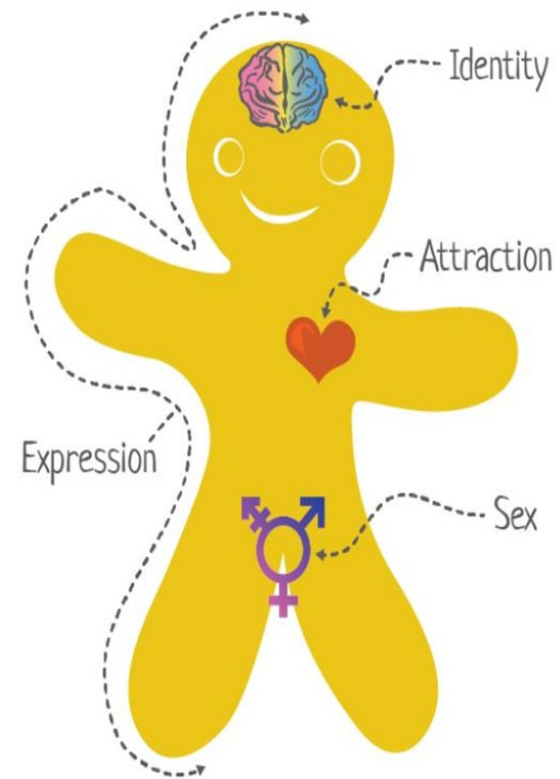

WHAT IS GENDER IDENTITY?

Gender Identity refers to each person's **deeply felt** internal and individual experience of gender, which may or may not correspond with the sex assigned at birth, including the **personal sense of the body** (which may involve, if freely chosen, **modification** of bodily appearance or function by medical, surgical or other means) and other expressions of gender including dress, speech and mannerism.

WHAT IS GENDER EXPRESSION?

Gender Expression. It is all about how you demonstrate your gender through the ways you act, dress, behave and interact - whether that is intentional or unintended. Gender expression is interpreted by others perceiving your gender based on traditional gender roles. Expressions are characterized as "masculine" (having qualities/appearance traditionally associated with men), "feminine" having qualities/appearance traditionally associated with women), or "androgynous" (presenting yourself with both masculine and feminine characteristics)
